How to Redeem a TCP Card

From a browser:

Step 1: Sign in to your Autel account at pro.autel.com

Step 2: Select Redeem on the left.

Step 3: Select the Product and verify the serial number of the tool you want to apply the TCP card to.

Step 4: Peel off label from back of TCP card and type in the Activation Code.

Step 5: Select OK button to confirm.

The screenshot shows the Autel Pro website's login interface. At the top, there is a navigation bar with the Autel logo and links for Products, Autel Cloud, Support, Where To Buy, and About. On the right side of the navigation bar, there are links for Log In and Register. The main content area is titled "Log In with Password" and contains two input fields: "Enter phone number or email" and "Enter password". Below these fields are links for "Forgot Account" and "Forgot Password". A prominent red "Log In" button is centered below the input fields. At the bottom of the login section, there are links for "Log In with Verification Code" and "Register". The footer of the page includes a "User Service Agreement | Privacy Policy" link and copyright information: "© Intelligent Technology Corp., Ltd. 2004-2022, All Rights Reserved. | V25.04.01 AUTEL".
